PREMIUM PAYMENT EXTENSION

On April 9, 2020 Governor Murphy issued Executive Order 123 that addressed several issues regarding policy premium payments and cancellations for non-payment of premium. The Department of Banking and Insurance on April 10, 2020 issued Bulletin No. 20-15 that specifically addressed all insurers transacting property and casualty insurance in the state.

In compliance with the Executive Order and Bulletin 20-15 the New Jersey Insurance Underwriting Association will extend the premium payment grace period for 90 days if you are experiencing a financial hardship due to the Covid-19 pandemic. This extension applies to all renewal payments, installment payments, and additional premium endorsement payments.

If you elect the NJ emergency grace period:

You chose when to start the grace period—either April 1 or May 1, 2020.

We will not cancel any policy for non-payment of premium during the 90 day emergency grace period.

We will continue to pay claims during the 90 day grace period.

Premiums due but not paid during the 90 day period will be billed in 12 equal installments following the 90 day emergency period. Late fees will not be charged or interest on the amounts. The Association does not report information to credit agencies.
